## About Me

I am a licensed Illinois educator and locally serving Speech-Language Pathologist. I have three of my own kids that currently attend Oak Grove School. I love summer time and find that arts and crafts recharge my battery and allow creative expression.

## Daily Schedule

**Students will expand their imaginations while crafting items and accessories for their dolls. Camp drop off is 9am and pick-up is 12pm. Daily snacks will be provided. In addition to crafting we will play games, make new friends, and read excerpts from various American Girl books.**

## Craft Themes

- Different themes everyday (sports, tea party, pets, slumber party, seasonal themes, miniature foods and accessories, etc).
- Take home items daily for you and your doll to continue the creative play at home!
