Title IX Statute

"No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

20 U.S.C. 1681-1688.

4

Title IX Regulations

- Under the Title IX Regulations, harassment on the basis of sex is *prohibited*.

5

What Falls Under Title IX?

6

What Do The Title IX Regulations Require?

- Each educational institution must have a Title IX Policy and detailed Title IX Grievance Procedure.
- Each educational institution must designate a Title IX Coordinator.
- Each educational institution must follow the regulations when investigating allegations of Title IX Sexual Harassment.

9

Quid Pro Quo Sexual Harassment

10

Quid Pro Quo

Quid = Something

Pro = For

Quo = Something

11

Quid Pro Quo

- **Definition:** An employee of the educational institution conditioning an aid, service, or benefit of the educational institution on the individual's participation in unwelcome sexual conduct.
- **Respondent:** Must be an employee (not a volunteer, another student, etc.).
- **Severity and harm are presumed.**

12

13

Specific Offenses

- Sexual Assault
- Domestic Violence
- Dating Violence
- Stalking

14

Sexual Assault

Definition: An offense classified as a forcible or nonforcible sex offense under the definitions maintained by the Federal Bureau of Investigation (FBI), and includes rape, criminal sexual contact (previously called fondling), incest, and statutory rape.

15

Sexual Assault: Criminal Sexual Contact

Definition: The intentional touching of the clothed or unclothed body part without consent of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation.

16

17

Title IX Hostile Environment Sexual Harassment

- **Definition:** Unwelcome conduct determined by a reasonable person to be so severe, pervasive, **and** objectively offensive that it effectively denies a person's equal access to the school's education program or activity.

18

Unwelcome Conduct

- Not Participation
- Not Silence
- Age Matters
- Intoxication Matters
- Ability Matters

19

Unwelcome Conduct

- When determining whether conduct is unwelcome, look at whether a **subjective** and **reasonable person** would consider the conduct unwelcome.

20

Severe Conduct

- Something more than juvenile behavior.
- Something more than antagonistic, non-consensual, and crass conduct.
- Simple acts of teasing and name calling are not enough to meet the severity standard, even when those comments are based on sex.
- It is not enough to show that a student has been teased or called offensive names.

21

Pervasive Conduct

- Systemic or widespread.
- Multiple instances of harassment.
- One incident is not enough, even if it is very severe.

22

Objectively Offensive Conduct

- Behavior that would be offensive to a reasonable person under the circumstances.
- Not just offensive to the victim, personally or subjectively.
- Consider the ages, numbers, relationships – the constellation of surrounding circumstances, expectations, and relationships.

A blue header bar at the top of the slide contains the text "When must a school respond?" in white. Below this bar, a bulleted list item is presented. The list item states that a school with actual knowledge of Title IX Sexual Harassment in an education program or activity against a person in the United States must respond. The slide has a white background with a thin blue horizontal line.

32

Actual Knowledge

- Sense
- Report

33

Official with Authority

- Title IX Coordinator.
- Any other officials who have been given authority to institute corrective measures by the school district.
- At the K-12 level, *all employees* are officials with authority.

34

Reporting Sexual Harassment

- Any person may report sexual harassment, regardless of whether the person is the alleged victim of the reported conduct.
- Reports can be made by mail, by telephone, or by email, using the contact information listed for the Title IX Coordinator.
- Reports can be made by any means that results in the Title IX Coordinator receiving the person's report.
- Such a report may be made at any time, including during non-business hours, by using the telephone number or electronic mail address, or by mail to the office address listed for the Title IX Coordinator.

35

Reporting ≠ Filing a Complaint

36

Key Word: Allegation

Once a school has notice of an allegation that, **if true**, would constitute Title IX Sexual Harassment, **it must** respond.

"Well, we didn't believe there was enough evidence it happened," is not a valid excuse to avoid using your Title IX Sexual Harassment grievance process.

37

Education Program or Activity

- Title IX Sexual Harassment must be "in a program or activity."
- Any location, events, or circumstances over which the school exhibits substantial control both over the alleged harassment and the "context" in which the harassment occurs.

38

Education Program or Activity

Schools need only address Title IX Sexual Harassment occurring against a person in the United States under Title IX.

39

Responding to Allegations to Title IX Sexual Harassment

40

Overview of Title IX Response

41

Initial Response/Supportive Measures

42

Initial Response/Supportive Measures

Title IX Coordinator or designee must promptly, even if no Formal Complaint is filed:

1. **Contact** the Title IX Complainant to discuss the availability of "supportive measures."
2. **Consider** the Title IX Complainant's wishes with respect to supportive measures.
3. **Inform** the Title IX Complainant of the availability of supportive measures with or without filing a Formal Complaint.
4. **Explain** the process for filing a Formal Complaint.

43

Formal Complaint

Document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the school investigate the allegations of sexual harassment.

44

Supportive Measures

- Non-punitive, individualized services offered as appropriate and without charge to a Complainant or a Respondent before or after the filing of a Formal Complaint, or where no Formal Complaint has been filed.
- Should be designed to restore or preserve equal access to the education program or activity without "unreasonably" burdening the other party.
- Should be confidential.
